4 POLICY STATEMENT

The monitoring of and awareness of student progress plays an essential role in ensuring that international students experiencing academic difficulties and who are at risk of failing can be identified in sufficient time and provided with appropriate academic support and counselling and access to appropriate student services.

All overseas students are clearly informed about the requirements to achieve satisfactory course progress and, where applicable, attendance in each study period, prior to their commencement in any course.^(8.5)

4.1 ATTENDANCE FORMS

OPIE will continue to use attendance forms in every training session scheduled to be run by OPIE trainers. These attendance forms are used to determine last point of contact with students and assist in students who don't achieve competency on assessments regarding intervention strategy meetings.^(8.1)

Attendance forms are updated by Admissions Student Support Officer and printed out each Friday by the rostered Student Support Officer. Please reference Attendance Monitoring Flowchart for process.

4.2 COURSE COMPLETION WITHIN THE EXPECTED DURATION OF STUDY

4.2.1 OPIE is required to manage student's course progress and workload to ensure they complete within the specified timeframe as outlined in the Confirmation of Enrolment (COE) and in accordance with the CRICOS registered course curriculum.^(8.2)

4.2.2 In addition, OPIE must monitor each student's enrolment to ensure they:

- Take no more than one-third of their course Online or by Distance learning, and
- Are enrolled in at least one face to face subject in each compulsory study period.

4.3 MONITORING AND TRACKING COURSE PROGRESS AND COMPLETION

4.3.1 maintains and tracks academic progress via the Record of Attainment, which in turn allows SSO's to update the Student Management System. ^(8.1, 8.9, 8.9.1)

4.3.2 Each course is setup within the Student Management System, with the required units, qualification rules, timeframes, delivery methods and sessions for delivery.

- 4.3.3 Students are then enrolled into the course and a Class Schedule is printed and provided to the student this includes all term breaks and each term is a study period.^(8.9, 8.9.1-3)
- 4.3.4 The Class Schedule is in addition to the Training Plan provided prior to Confirmation of Enrolment.
- 4.3.5 The Class Schedule will be provided to the student on their orientation day, there are college timetables and class schedules available on notice boards.

- Four (4) weeks prior to end of each study period a SSO will complete an End of Study Period Report. This report will enable OPIE staff to send out letters via the SMS to students at risk and advise them hand in any outstanding assessments for processing. Assessors will update the Record of Attainment and SSO's in turn update the SMS.
 - This process enables OPIE to identify any students at risk of not completing within the expected duration on their CoE, and promptly reminds them to hand in assessments, helping to minimise any adverse effects to the student.^(8.3, 8.4)
 - At the immediate end of each study period, this process is repeated and students who are failing to achieve better than 50% completion rate are sent a warning letter. The warning letter notifies the student about options for connecting with a SSO to plan an effective intervention strategy for the student to progress to a positive academic progress that enables the student to complete their studies as per the duration stated on their CoE.^(8.3, 8.4, 8.9, 8.9.1-5)
 - Every student that receives a warning letter will be recorded on a register to ensure all students have an effective follow up plan. This register also enables OPIE staff to manage the response from students in an appropriate and unbiased procedure.
 - Students who fail to achieve satisfactory academic progress in two consecutive study periods and fail to engage in an intervention strategy will be issued with an intention to report letter as soon as practicable, notifying them of:
 - our intention to report the overseas student to DHA for unsatisfactory course progress^(8.13.1-2)
